

## Compensation Survey for Manitoba Employers What's New for 2009!

Several enhancements were made to improve participation and reporting, including:

- Earlier, and extended, data collection period (July 1 – August 15)
- Earlier distribution of report data (October 15)
- Improved data submission options for mid-sized organizations
- Electronic report format to reduce paper waste and improve usability
- NEW Small Business Report available with special pricing
- Additional jobs added with NEW supporting data not previously reported
- Enhanced data capturing techniques to reduce repetitive entries
- Special features for members of Canadian Manufacturers & Exporters
